Helping Families  
With Children  
Who Suffer From  
Life-Threatening Illnesses

Dear Friend,

The **Shawn Grady Memorial Fund** is a non-profit organization devoted to helping local families who have children with life-threatening illnesses.

The fund was established in memory of Shawn Grady, an outstanding athlete who was diagnosed with cancer in the Fall of his sophomore year. Shawn was an enthusiastic, highly-motivated, and courageous young man who not only received all-league honors in football, hockey, and baseball, but was elected team captain in all three sports.

Shawn's true strength, courage, and passion for life never shined so brightly as during the two years of his daily fight for life against cancer. His positive attitude, sense of humor, and incredible will to live served as an inspiration to every life he touched. After a courageous battle, Shawn died of cancer complications at the young age of 16.

During Shawn's long illness, the entire community pitched in to help the Grady family, even holding fundraising dinners to defray the family's tremendously high medical costs. As a fitting memorial to their son, the Gradys established the **Shawn Grady Memorial Fund** as a way of giving something back to the community that had lent them so much support in their time of need. Since its founding in 1991, the fund has helped many area youths and their families through some very difficult times.

If you know of someone who is in need of the services offered by the **Shawn Grady Memorial Fund**, or if you would like more information about us, you are encouraged to call Mr. or Mrs. Grady at (315) 853-5618, or write:
